mueller

Sometimes the old ways are better.

We have some old-fashioned ideas here at Mueller Furniture. Ideas which originated back in the days when Grand Rapids first earned its reputation as the center for fine furniture.

For example, the idea of being honestly concerned about your requirements. After all, without you, we couldn't exist. So we produce a complete line of superbly constructed furniture. We offer a selection of finishes, fabrics and materials. And if our standard items don't meet your needs, a custom item might be appropriate. Whatever you require, we'll provide.

We also remember the days when you could place an order, and have it delivered promptly. We still operate that way.

Even though personal tastes may change, the basics of good design don't. Clean, crisp lines have long distinguished Mueller furniture. We're convinced that a sofa must be as comfortable to sit in as it is pleasing to look at. That a table should be functional and attractive. That all of our furniture should be constructed to last longer than the man who occupies the office.

Finally, and most importantly, we're believers in the concept of craftsmanship. Carefully examine any piece of Mueller furniture. You'll discover a degree of quality that's rare in this age of mass production. It's there because we won't compromise on materials. Or on workmanship. We insist on highly skilled furniture makers, and pay them on a day rate rather than by the more prevalent — and less quality-conscious — piece-work basis. Mueller emphasizes quality, and will continue to do so.

Taken together, these old-fashioned ideas have proven their value in the modern world. You'll find Mueller in the executive suites of leading corporations. In the nation's most prominent universities. In federal buildings, institutions and commercial offices.

Evidence of Mueller craftsmanship is on display in many fine showrooms in major cities across the country. If you would like a conference to discuss your needs in detail, please call or write:

General Information and Terms

Prices and Terms

Shipping charges, any storage charges and applicable sales taxes are in addition to the prices shown for merchandise. Inside delivery, uncrating and installation are customer's responsibility unless separately quoted. Prices for upholstered furniture are "muslin prices" and as such include labor for applying fabric, plastic or leather; cost of yardage is additional. Merchandise is sold F.O.B. factory. Due to existing conditions in regard to cost of labor and materials, we reserve the right to change prices prior to order confirmation without notice. Payment is due when invoice is issued, and is delinquent if not made within 30 days from date of invoice. One percent discount is allowed if invoice is paid within ten days of invoice date. In the event timely payment is not made, customer shall be liable for reasonable collection costs, including attorneys' fees.

Shipping

Unless complete instructions as to shipping method and route are stipulated by customer, Mueller has the option to ship by, what is in Mueller's opinion, the best way. Merchandise may be delivered at one time or in partial shipments from time to time. Customer bears risk or loss or damage during shipment.

Mueller is not liable for any delay or failure to deliver or perform due to strikes, lockouts or other labor difficulties, failure or delay of sources of supply, transportation difficulties, accidents, fires, acts of God, or any other causes of like or unlike nature beyond Mueller's control.

Storage

If customer will not accept delivery of merchandise when Mueller is ready to make shipment, Mueller may transfer the merchandise to storage. Transfer to storage and storage will be at the customer's expense and Mueller may deem such transfer as delivery for all purposes including invoicing and payment, except that if transfer to storage is made prior to the shipping date specified in the confirmation, expenses of storage will be borne by the customer only from the specified shipping date.

Claims

Mueller is not responsible for damage suffered in transit or in storage. Customer must examine merchandise upon receipt and note any obvious damage on carrier's delivery receipt. Damage which becomes apparent when the merchandise is unpacked should be reported to the carrier as soon as discovered. All claims against Mueller for defects, errors or shortages must be made by customer in writing within ten (10) days after any delivery. Failure to make any claim against Mueller within ten (10) days shall constitute acceptance of the merchandise and a waiver of any defects, errors or shortages ascertainable upon inspection. Cutting of textiles will be deemed acceptance of the textile yardage and waiver of all defects, errors and shortages. Mueller shall not be liable for consequential damages.

Warranty

Mueller merchandise is manufactured in accordance with Mueller's high standards and is warranted to be free from defects in material and workmanship for a period of two years from the date of delivery. During this warranty period, Mueller will repair or at its option replace, free of charge, such merchandise as shall prove to be defective. This warranty does not apply to damage resulting from accident, alteration, misuse, tampering, negligence or abuse. Textiles are not warranted against fading or wearing. Printed textiles are not warranted against irregularity in register. Because of natural variations over which Mueller has no control, this warranty does not extend to color, grain or texture of wood, marble or leather and Mueller does not warrant matching of color, grain or texture except as specified in the order confirmation. ALL OTHER WARRANTIES (INCLUDING ANY WARRANTY OF MERCHANT-ABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE) ARE HEREBY EXCLUDED. The foregoing shall constitute the sole and exclusive remedy of customer.

Change Orders

Mueller is not required to accept any subsequently requested change. For handling an authorized change, Mueller reserves the right to charge Mueller's material, labor and other costs plus up to 10 percent of the price of the merchandise affected.

Returns

No merchandise may be returned to Mueller without Mueller's consent and shipping instruction. Mueller does not accept returns of textile lengths of less than 5 yards. A restocking charge of 20 percent is made on all authorized returns of merchandise for credit or refund if merchandise is received by Mueller in the condition it left the factory. An additional charge equal to Mueller's estimated cost of restoring merchandise returned in damaged condition may also be made.

Cancellations

Orders may not be terminated without Mueller's consent. A cancellation charge may be made on orders cancelled with Mueller's consent.

Customer's Own Materials

If customer supplies own material, shipments must be clearly marked to permit identification with Mueller order confirmation number and item number. If the Mueller order confirmation number and item number are lacking, Mueller assumes no responsibility. Fabric requirements are based on 54" material. Additional yardage may be required if pattern requires matching. Additional labor charges may be made for materials which are difficult to apply. Mueller reserves the right to cancel an order at any time if Mueller deems customer-supplied material inadequate for any reason.
